

PIG® HazMat Quick-Response High-Visibility Spill Cart

KIT3401 Each absorbs up to 20 gal., Absorbs Acids; Bases; Unknowns

Handle hazmat cleanup at a moment's notice, fully prepared with easy-access absorbents and more in this wheeled, yellow high-visibility HazMat spill kit.

- Handle hazardous material spills properly with absorbents, instructions folder and more, all pre-packed in this HazMat spill cart; see Product Specifications tab for complete list of products included
- Move this tip-back spill cart with narrow design nimbly through doorways and easily across uneven floors without getting the 7-inch wheels snagged
- Respond to small- and moderate-sized HazMat spills ready to go with 20 gallons of easily accessible HazMat absorbents and products packed neatly inside this spill cart; lockable front-loading doors open wide in a HazMat emergency; caddy's dimensions approximated
- Ensure visibility for others during cleanup of a HazMat spill thanks to the yellow, high-visibility color that also helps you spot the spill cart immediately from storage when a spill first occurs; store anywhere indoors

Disclaimers

HAZ-MAT Notice

To ensure effectiveness and your safety, we recommend that you conduct compatibility and absorption testing of your chemicals with PIG® HAZ-MAT products prior to purchase. If you have any questions or need samples to test, please call Technical Services.

Included PPE Compatibility Warning

WARNING: To ensure safety when using enclosed PPE, please consult chemical compatibility guide(s) to confirm that enclosed PPE is compatible with your particular chemicals and fluids; or confirm compatibility with the chemical manufacturer.

Absorbents Notice

All absorbents take on the properties of the liquids they have absorbed. When handling used absorbents, you must utilize all necessary safety precautions that are required to safely handle the liquid which has been absorbed.
